MISSION STATEMENT

The Mission of Trenton Elementary School, a caring, co-operative, learning community, is to inspire each student to envision and achieve full individual and social potential by creating an environment that ensures the pursuit of knowledge and fosters responsiveness, determination, and resilience in a changing world.

SCHOOL SUPPLIES

If you have not already done so, please send in the \$30.00 Supply Fee with your child as soon as possible. This fee covers the cost of the agenda and all supplies needed by the student. Thank You!

TERRY FOX RUN

Our school will be taking part in the annual Terry Fox Run held throughout the County. We will be holding our school run on **Thursday, September 28th** at Trenton Park. **All classes will be walking over to the park at 10:00 a.m.** In lieu of pledge sheets, we are asking for a \$2.00 donation from students which we will forward to the Terry Fox Foundation on behalf of the school. Your support in matter is appreciated.

VOLUNTEERS

At Trenton Elementary we depend greatly upon parent volunteerism and we appreciate your support! We are always looking for parent volunteers for school initiatives such as the Fluoride Rinse Program. If you are willing to donate your time and energy, please clip & sign the form and return it to your child's teacher or call the school at 755-8460 or drop by and see us. Your commitment helps to build a stronger school and provides a better education for your child.
