

Trenton Elementary Home & School News

The Trenton Home and School was able to purchase all the treats for the kid's class Halloween Parties' happening on October 30th. We know things are a bit different this year but we are happy to have been able to do something for the kids and hope they enjoy their treat bags.

We are also currently selling Poinsettias as a fundraiser. Unfortunately, we are not able to collect money in the school so we have set up an e transfer system. All the information is attached in the letter below with color choices.

If you know of any parents who are not on our Home and School Page, please send them a request and we will be sure to get them added so they can see all the relevant information.

Remembrance Day will look a bit different this year, as we are not able to attend the services. Home and School will still be purchasing a wreath to be laid at the service with the Legion members.

Plans for Christmas will be starting soon and we will be sure to figure out a great way to have something for the kids, be it a treat bag, hot chocolate, etc., as the season gets closer. If you have any ideas or suggestions, please feel free to reach out to Heather at heather.h@plfn.ca or 902.301.6494.

Have a Safe and Happy Halloween!
